Australian Seal Hudson Seal Natural Muskrat Marmot Nutria, Mole

Women who have been wanting real Fur Coats, yet who have denied themselves because of high prices, will welcome this opportunity with genuine enthusiasm. Think of it! Real Fur Coats-Some for as Little as \$115.00

Here's the reason for these exceptional values

Our store year ends January 1st-a time when we take inventory. Heretofore, fur coat prices have been lowered after Christmas. This season, our stock being much larger, we have decided to lower our price so as to have as little stock on hand as pos-

We Feature Coats of Australian Seal (Sheared and Dyed Australian Rabbit)

Plain and trimmed styles, with flounce borders and wide sash belts. These are beautiful, soft, deep-napped coats, made from the pelts dressed and dyed by A. Hola lander & Son of Newark (the largest dyers and dressers of animal skins in the world), in a new process that makes them softer, more beautiful and more comfortable than any other Australian seal we have seen.

The skins are strong-the coats are smartly cut and well made throughout. They have the new sash belt.

They are coats that no one with a knowledge of furs would expect to find at these

Many coats will be ready at prices so low as to be almost impossible to duplicate the same under ordinary circumstances. \$215.00 | 36-inch Coat, untrimmed 30-inch Coats, untrimmed,
